

Children's Social Skills Summer Camp

This summer, would you like for your child to learn to make and keep new friends? Would you like her to enhance her self-confidence? Would you like him to learn to handle conflicts peacefully? Discover her talents? Continue his academic progress? Combat social anxiety and fears? **Our intensive Children's Social Skills Summer Camp can help!** Some children need a little help learning social skills! Our social skills groups provide a safe and relaxed environment for children to practice skills with peers, and receive immediate feedback and coaching.

This camp will offer a unique blend of role-play, games, craft activities, books, videos, modeling, coaching, positive reinforcement, communication with parents, and "learning time" to practice social skills. Some of the skills we'll be working on include:

- Making and keeping friends
- Conversational skills
- Giving and accepting compliments
- Dealing with being left out
- Using self-control
- Dealing with embarrassment
- Reacting to failure and dealing with losing
- Being a good sport
- Responding to teasing and bullying
- Conflict resolution
- Staying out of fights
- Problem-solving and negotiating
- Accepting "no" and accepting consequences
- Handling shyness and social anxiety
- Improving self-esteem
- Being honest
