

Summer 2020

## Virtual Social Sprouts Summer Camp

Does your preschooler or Kindergartner have difficulty making and keeping friends? Would he/she benefit from recognizing social cues? Does your child need help expressing emotions appropriately? Has he/she been diagnosed with Social Anxiety Disorder, Asperger's Syndrome, Autism or ADHD? Or is he/she simply shy or socially awkward? Are there issues with your child's behavior being disruptive at home school or daycare? Some children need a little extra help learning social skills! Through a series of lessons, activities, games, role-play, worksheets, and videos, our group leader will teach your child to enhance his social skills and self-esteem. This summer camp will place an emphasis on practicing conversational and play skills with peers

The following topics will be covered:

### Play and Conversational Skills:

- Greeting people
- Conversational Skills
- Listening
- Working together and playing with others in a group
- Taking turns and sharing

### Understanding Social Skills:

- Proper eye contact
- Personal space
- Speaking with an appropriate tone and volume
- How to respond in a socially appropriate way to personal triggers
